

# Simplify your imports with Kuehne+Nagel's CARM expertise

## Take control of your customs clearance with dedicated CARM management

Managing the Canada Border Services Agency's (CBSA) Assessment and Revenue Management (CARM) Client Portal (CCP) can be time-consuming and complex.

Fortunately, Kuehne+Nagel's expertise can alleviate the burden. Our dedicated CARM specialists offer a comprehensive solution to streamline your import processes and ensure compliance.

## Flexible and cost-effective solutions:

We offer customised pricing plans to suit your specific needs, with options available for hourly rates or at a fixed monthly fee.

Do not waste valuable time navigating CARM complexities—partner with Kuehne+Nagel and see what a difference expert management can make.

Contact us today for a free consultation.

## Benefits of Kuehne+Nagel's CARM management service:

- **Peace of mind**—your CCP is monitored daily, weekly, or monthly by a team of experts, ensuring timely action is taken on all notifications.
- **Enhanced efficiency**—free up your staff to focus on core business activities while we handle the complexities of CARM.
- **Reduced risk**—our meticulous attention to detail minimises the chance of errors and delays.
- **Improved visibility**—gain valuable insights with monthly reports summarising duties, taxes, and account statements.
- **Seamless communication**—our team acts as your liaison with the CBSA, keeping you informed with all account activity.

## Our services:

- **CCP monitoring**—we log in daily, weekly, or monthly to manage all notifications from the CBSA, including bond status and case updates.
- **Actionable recommendations**—receive expert guidance on how to handle each notification for optimal results.
- **Detailed reporting**—we provide monthly reports that simplify duty/tax reconciliation and account management.
- **Secure data management**—our secure systems safeguard your confidential information.
