

Aerospace

# Flying in/out of Qatar? We've got you covered.

A seamless process from departure,  
to kick-off, to goal.

KUEHNE+NAGEL 

# Aerospace

Football excitement is in the air! It is estimated that Qatar will experience up to 1,600 plane landings and take-offs every day. With the increased traffic and rising complexities, you need a trusted partner and logistics advisor. We make sure your aircraft keep flying so you can enjoy the game.

## Our service

### A winning team

Kuehne+Nagel's Aerospace experts understand the urgency when you need Aircraft on Ground (AOG) services and work 24/7 to get you back in the air.

### Game on

With the established local infrastructure and a diversified portfolio of solutions, our experts ensure you get the right support and the highest service quality every time.

### What a save!

Specialising in shipping AOG aircraft parts, rapid returns or heavy weight freight, we come to the rescue in any urgent situation.

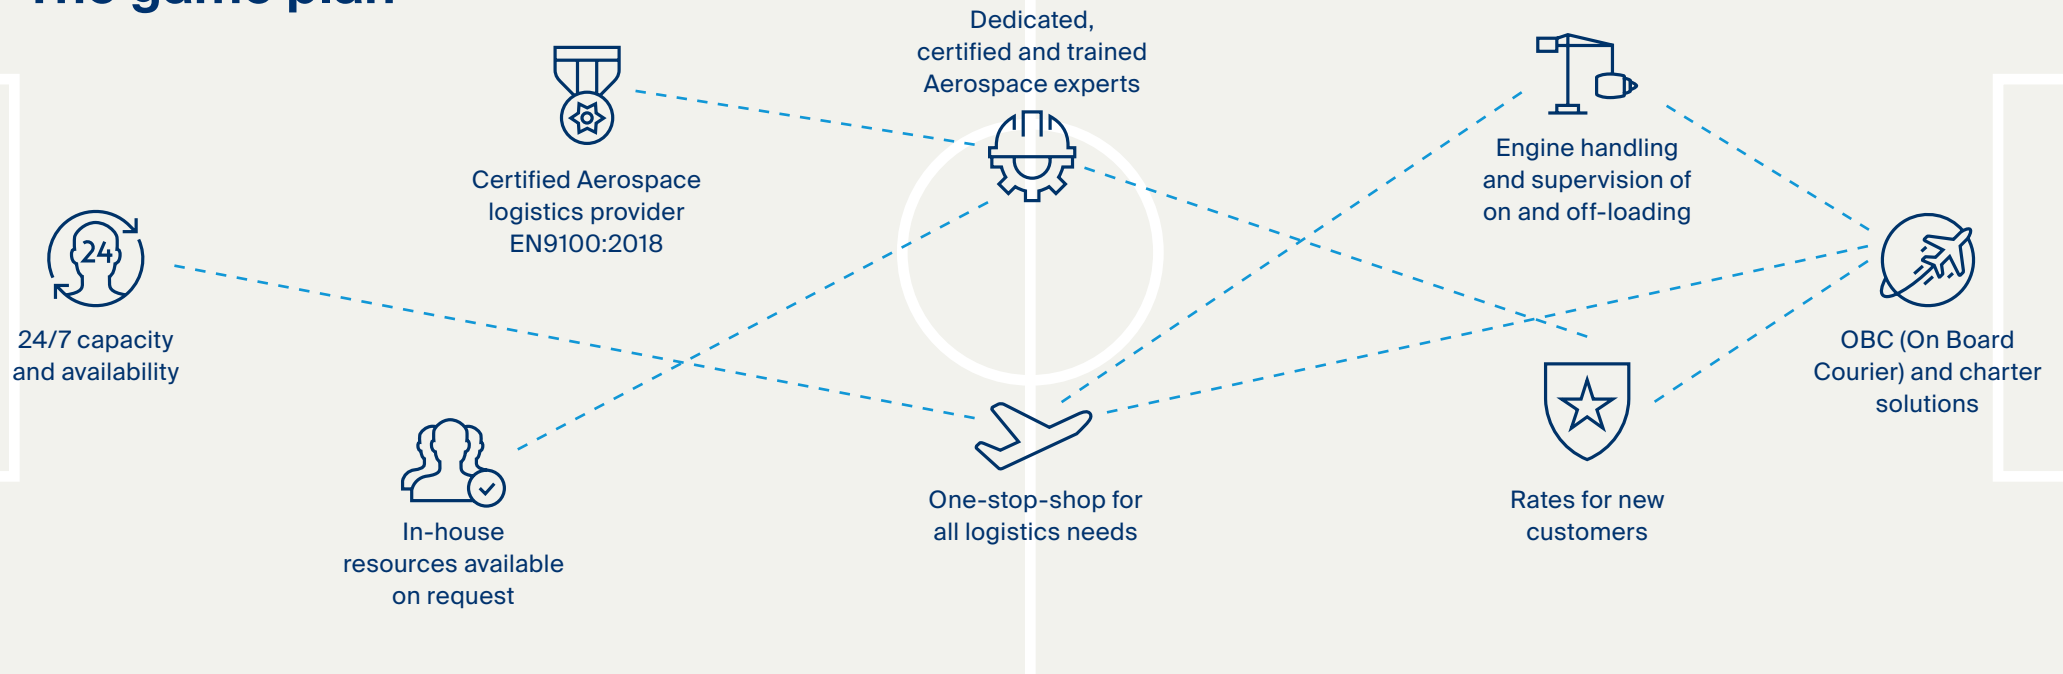

### Keep the ball in play

With our digital solutions, you have complete visibility to improve efficiency and enable your assets to generate maximum value.

## Your 24/7 logistics partner

# The game plan

## Our end-to-end solutions

- **AOG Logistics**  
Our time-critical solution is your reliable partner for mission-critical logistics.
- **Interior Logistics**  
provides services specially tailored to support aircraft interior fitting and refurbishment.
- **Engine Logistics**  
offers secure and certified engine transportation and storage.
- **Spares Logistics**  
has global solutions for aerospace parts and repairs. Our Passenger to Freighter Logistics (P2F) solution manages the conversion of passenger aircraft into long-lasting freighters.
- **Inflight Services and SkyLogistix**  
includes everything you need to keep your passengers comfortable inflight.
- **Aviation Leasing Logistics**  
is our end-to-end solution, ranging from customs clearance to spare parts shipping to repossession support.
