

## Expo and Events logistics

# Every event means the world to you. That's why we have the world covered.

The moment you arrive at a venue, you want to know that everything will go off without a hitch. Our team of experts help you navigate the complexities and lay the groundwork for a successful event. Every solution is designed to meet your objectives, your timelines and your expectations.

Whether you're holding a weekend electronics fair or a city to city concert tour, we offer a single source of expertise that keeps your event on schedule – and on budget. From meeting tight deadlines to fulfilling regulatory requirements, our logistics professionals build personalized solutions for each part of the journey.

You can rely on us for transportation, customs processes, and on-site handling. We take care of getting you there – all you have to do is focus on having a great show.

## Expo and Event logistics

**Experience across every industry.** Personalized planning and freight forwarding solutions for live events all over the world – for any industry. From trade fairs and orchestra tours to product presentations and sports events, we're help you at each stage, from pre-planning to post-show.

### Your cargo is unique

When you need experience in all transport modes – domestic and international – we have teams with industry-specific know-how. Take the worry out of moving delicate products, temperature-sensitive cargo, oversize shipments and everything in between.

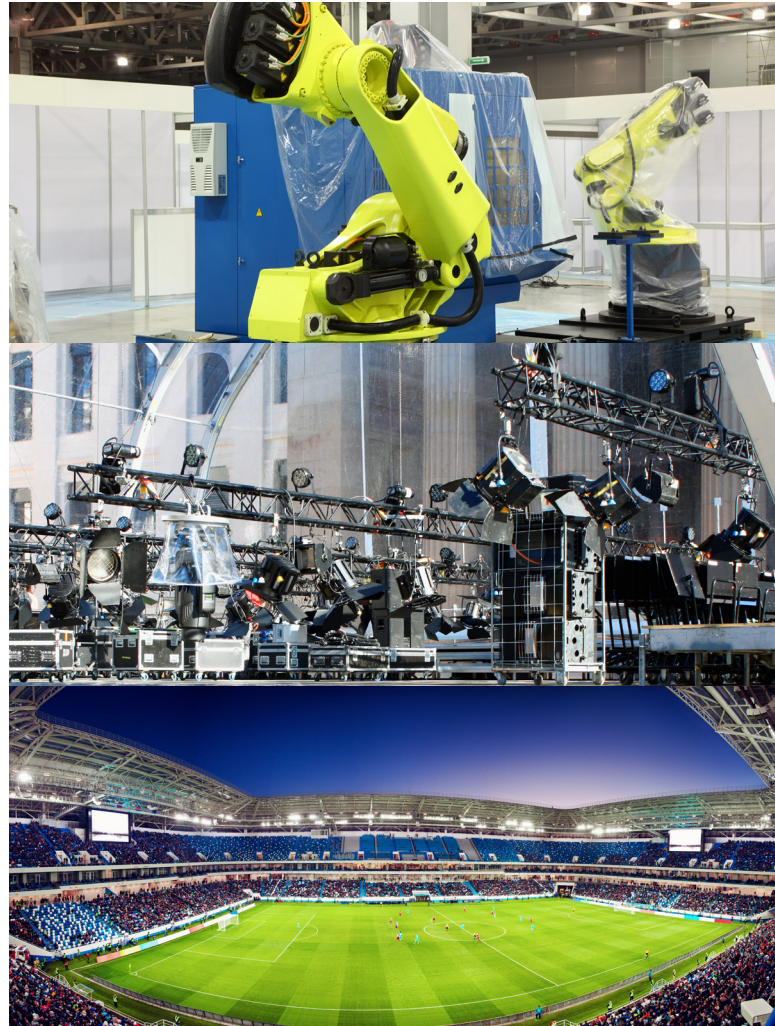

### Tailor-made solutions

With 24/7/365 worldwide availability, you get support before, during, and after the show. Project consultancy being during the planning phase. Then solutions are designed with a focus on providing you with a custom fit, cost efficiency, and smooth execution of your event.

### Services to match your event

- End-to-end transportation management
- International customs clearance, including temporary import bond fees
- On-site handling
- Door-to-venue and venue-to-door delivery
- Labelling, collection, storage, packing and unpacking, and return of empty cases
